

Disclaimer

Liability for contents

Both contents and technical performance of these pages have been carefully worked out and checked. ASWEX does neither guarantee perfect technical functionality of this website, however, nor topicality, correctness, completeness and quality of the information provided. Liability claims to ASWEX with regard to material or ideal damages due to the access to our website or the use and non-use, respectively, of the contents presented, are exempted from on principle. Users act at their own risk. ASWEX also explicitly reserves the right to change, extend or delete individual pages, parts of them, or the whole website, without prior notice. Should you detect at our pages any mistake or deficiency in contents or technical performance, please kindly notify us.

Liability for links

This ASWEX website contains links to web pages of third parties, the contents of which we are unable to affect. We cannot adopt responsibility therefore for such extraneous contents. Responsibility for the content of external links lies solely with the operator of the linked page. The linked pages were checked for possible statutory violations at the time of linking. No violations were evident to us at this time. Permanent examination of the contents of linked pages is unacceptable, however, without a specific hint at statutory violation. Should any legal infringement become known to us, we will remove the respective link immediately.

Copyright

ASWEX created contents and works at these pages are subject to German copyright law. Reproduction, adaptation, dissemination and any form of utilization beyond the limitations due the copyright law are bound to written consent by the Managing Director of ASWEX. Downloads und copies of this webpage are allowed only for private, non-commercial use. As far as contents of this webpage have not been created by ASWEX, third party copyrights are respected. In particular, third-party contents are designated as of such a kind. Should you nevertheless become aware of a copyright violation, we kindly ask for a corresponding hint. If any legal infringement becomes known to us, we will remove such contents immediately.

Privacy

ASWEX does not store any junction data of visitors of this website; that is, also no personal data. Consequently, there is no transfer or use of your data by us, neither at home or abroad in the European Economic Area and worldwide. We herewith explicitly object to any utilization by a third party of contact data, published within the bounds of imprint obligation by ASWEX, for the purpose of providing not specifically requested advertisements or information. ASWEX explicitly reserves the right to initiate legal measures in case of unsolicited sending of advertising information, for example via spam mails.
