

Johannes Sutmöller

Stralsunder Weg 6, 37083 Göttingen
Tel: +49 (0)551 706 485
Email: jsutmoe@arcor.de

Graduation

1992 **Diploma** (Geography), *University Göttingen*

Professional experience

University Göttingen, Geographical Institute (*Research Scientist, Collaborator*)

1992 – 1993 **Landscape ecology:** intra-regional comparison of catchments within the Hydrological Research Area Ziegenhagen by means of the forest-hydrological catchment model BROOK

igi Niedermeyer Institute GmbH, Westheim (*Research Scientist, Collaborator*)

1993 – 1995 **Numerics in water management:** groundwater flow modelling using FEFLOW and HYDRA for diverse projects (Deutsche Bahn, Mercedes Benz)

University Göttingen, Geographical Institute (*Research Scientist, Collaborator*)

1995 – 1998 **Landscape ecology:** DFG Project „Regionalization in hydrology“

Research Centre Geesthacht GmbH (GKSS), Institute of Atmospheric Physics (*Research Scientist, Collaborator*)

1999 – 2001 **Hydrological Modelling:** water and energy flows in the Odra basin using the model family GESIMA/SEROS

Self-employment

2001 – 2011 **GIS:** preparation and processing of geodata (digital elevation model, land use)
Numerical models: hydrological modelling using the WaSiM/ETH model for diverse projects
Windenergie: Potential studies for wind energy installations (WASP, METRAS)

Northwest German Forest Research Institute (*Research Scientist, Collaborator*)

2005 – **Cross-sectional tasks:** weather, climate, hydrology

ASWEX (formerly IAMARIS e.V.) – Association of Senior Water Experts (*Founding Member*)

2009 –

(State of December 20, 2013)
